Suzanne,

As expected, you have done a great job in editing this document. I have made some suggestions that I have included for discussion.

In the interest of time with the meeting scheduled today I am sending this around. Please reply all with comments for all to review but I will compile revisions.

The “cleaner” shows track changes to text only, the “fuller TC” version shows track changes with strike out and comments from DEP and Rich.

Thanks and we’ll talk at 2. I’m sending a briefing request this AM and will work on a briefing paper later this morning.

Did you want to make any additional revisions before I send to David and Rich? I think you took more detailed notes than I did.

The one has more of the original edits proposed by DEP (fuller TC)

Let me know so I can get this circulated.

Thanks,

Suzanne

David/Suzanne/Lucinda-

Thanks for teaming up and meeting with our Pennsylvania state agency colleagues on Friday. Here’s my recommended follow through actions coming out of Friday’s meeting.

Please let me know if you believe I have missed any key next steps or you recommend we take a different path going forward.
